ABER SAILBOT

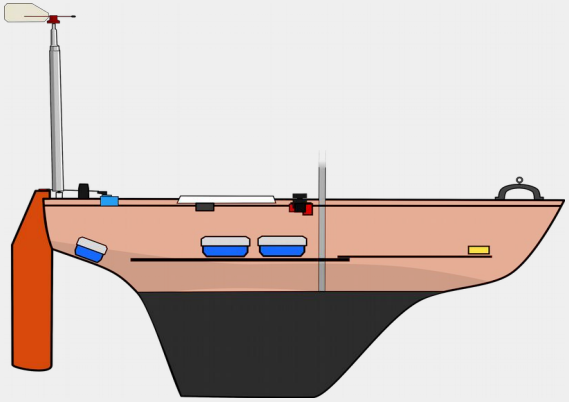
abersailbot.co.uk

What do we do?

- Build Robotic Sailing Boats
- Write code
- Solve the ton of issues that result
- Compete around the world
- Demonstrate boats to the public
- Have fun!

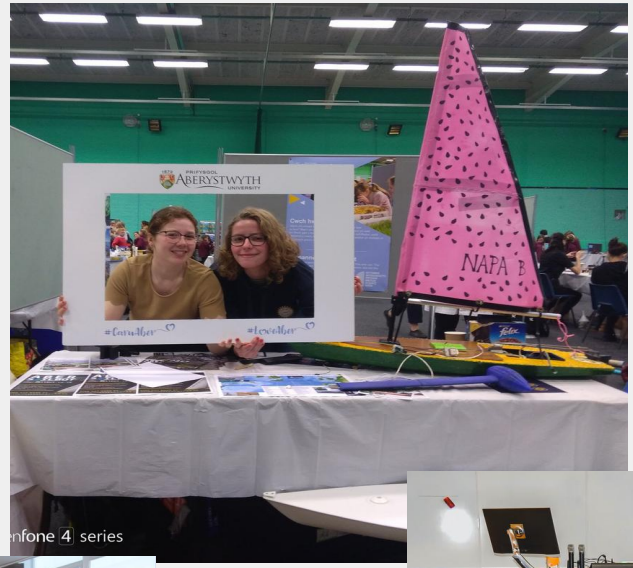
The Boats

Dewi'r Ddraig



Kitty

Polystyrene Boats



fb.com/abersailbot @abersailbot sailbot@aber.ac.uk

Marine Autonomy Challenge

- Industry sponsored competition
- Remote access to a motorboat running our code
- Access to commercial grade simulators

Plan for this year

- Get lots of you involved!
- Enter Marine Autonomy Challenge
- Finish polystyrene boats and race them
- Convert an RC laser to autonomous
- Go to Sailbot Competition in USA
- Transatlantic/long distance boat?

First Meeting

- Submit your email address

  https://abersailbot.co.uk/joinus

- We'll invite you to our Discord server
- First meeting next week.

Thanks for Listening!
